CLOSET

Our Mission

- Affordable, professional attire for students attending career related events
- We offer a variety of suits, blazers, dress pants, skirts, ties, blouses and button downs
- We aim to offer students the clothing that allows them to present themselves well as they pursue their professional aspirations.

Tips before arriving

1. Aim to plan ahead your visit, at least 5 days in advance before your event.

2. Be intentional with the items you will need to complete an outfit. We have limited items.

3. Measure yourself ahead of your scheduled visit with us.

4. Please be respectful of the service. The closet's purpose is not to provide last-minute attire for convenience.
