

# Sydney Wyrick

Cypress, TX | (832) 745-6067 | [sydnwyrick21@gmail.com](mailto:sydnwyrick21@gmail.com) | [LinkedIn](#)

## EDUCATION

**Bachelor of Science in Digital Media Innovation, Minor in Computer Science**

December 2024

Texas State University – San Marcos, Texas

**Cumulative GPA: 3.56**

**Honors:** Dean's List (6 Semesters), Fresenius Medical Care Scholarship Recipient (2022-2024)

### Relevant Coursework:

- Coding and Data Skills for Communication
- Object Oriented Design & Programming
- Media Design
- Visual Communication

## TECHNICAL SKILLS

- Software: Microsoft (Excel, Word, Power Point, Access), Adobe cloud (InDesign, Photoshop, Lightroom), Canva, Figma, Procreate, WordPress, Bootstrap.
- Programming: C++, Java, HTML and CSS, and JavaScript.

## PROJECTS

### Mobile Application Prototyping and Planning

- Developed a prototype application to solve a real-world problem through Figma by creating a model.
- Actively worked with partners to collaborate in a research-based report to find a real-world problem and brainstorm solution types.
- Design a website to promote the mock prototype application based on the collaboration between partners.

### GUI Chess Game mobile Application | <https://git.txstate.edu/php24/CatchMe/tree/main>

- Collaborated with team to design a fully functional chess game with a GUI interface, integrating backend logic with Java for an interactive user experience.
- Used many object-oriented programming principles including abstraction, polymorphism, and inheritance for move validation and piece behaviors.
- Created a scalable game board using a grid layout and dynamically rendered chess pieces using custom-designed icons.

## EXPERIENCE

### Team Leader/ Assistant Manager

August 2022 – Present

Whataburger, San Marcos, TX

- Maintained high standards of customer service during high-volume, fast-paced operations.
- Supported Managers running the floor during busy shifts through overseeing daily operations.
- Facilitated onboarding and mentorship for new employees, helping them to integrate into the current systems in place to perform effectively.

## ACTIVITIES

### Volunteer Tour Guide, Jan. 2022

- Shared personal insights and advice to help prospective students think about college life and make decisions.
- Assisted in tour guiding event coordinating through planning of special locations, introducing important student resources career services and recreational facilities.
